PROFILE SUMMARY

Frontend Developer with hands-on experience building responsive web applications using JavaScript, React, Angular, HTML, and CSS. Skilled in REST API integration, reusable UI development, and frontend optimization. Currently pursuing Full Stack Software Development Fellowship at Crio.Do with strong interest in scalable web applications and modern JavaScript development.

TECHNICAL SKILLS

Languages: JavaScript, Java, Python

Frontend: React.js, Angular, HTML5, CSS3, Bootstrap, Material UI

Backend & APIs: REST APIs, JWT Authentication, Supabase

Tools: Git, GitHub, Vercel, Netlify, Render, Linux

Core Concepts: Data Structures & Algorithms, OOP, Responsive Design

EXPERIENCE

Navocent Pvt Ltd — Programmer Analyst

Project: DebateHQ (Real-Time Debate Platform)

- Developed reusable UI components using Angular and TypeScript
- Integrated Supabase real-time database for live updates and seamless interaction
- Improved frontend maintainability through scalable component architecture
- Enhanced responsive UI performance and user experience

PROJECTS

QKart (Ongoing) | React.js, REST APIs, JWT, Material UI

- Developing a full-stack e-commerce platform with authentication and cart features
- Integrated REST APIs and JWT authentication for secure user management
- Optimized frontend responsiveness and API handling

QTrip Dynamic | JavaScript, Bootstrap, REST APIs

- Built responsive travel web pages with filtering and search functionality
- Implemented localStorage persistence and dynamic API-based rendering

Portfolio Website | HTML, CSS, JavaScript

- Designed and deployed responsive portfolio showcasing projects and skills
- Optimized UI/UX for cross-device compatibility

EDUCATION

Crio.Do

SkillIQ Gen-AI Powered Full Stack Development Program (*Ongoing*)

KLS Gogte Institute of Technology, Belagavi

B.Tech in Electronics & Communication Engineering | CGPA: 6.9 | 2020- Feb, 2025

ACHIEVEMENTS

- NSS Advisory Member, led and managed 100+ volunteers
- Presented research paper at BARC, Mumbai
- Recognized at national and international technical conferences
